BUDGET COMMITTEE REPORT

The Rindge Budget Committee has aimed its efforts toward assisting in recommending a workable operating budget for the Town of Rindge for 1977. We want to thank the Selectmen and Department Heads for their continued cooperation. We are pleased to note that the recommendations which have been implemented have resulted in continued savings to the Town.

Special appropriations as presented in the Annual Report appear worthy of passage and, of course, remain the prerogative of the voters.

Reflecting on previous recommendations, we were pleased to note that the number of gallons of fuel oil used by the Church/Town Hall decreased for the year 1976 which we attribute in part, at least, to insulating the ceiling of this building. This savings may become particularly meaningful as the price of fuel oil increases. We recommend further engineering studies be made of all Town buildings so that similar cost savings may be experienced..

Adequate insurance coverage is another area which is stressed. A comprehensive study of insurance coverage is being made and early indications are that insurance coverage of Town property is grossly inadequate. Due to the co-insurance factor, it is vital that a realistic assessment of all Town property be made and fully covered.

We recommend that a committee be appointed to review the Police Department study made in 1972 and determine the advisability of the Town of Rindge adopting such a plan.

We again recommend that a light-by-light survey be made of street lighting and appropriate action taken to replace, reduce or repair the lights.

We feel that further economies can be made in the Highway Department expenditures. We encourage the Selectmen and Road Agent to increase their efforts in this very important area.

Continually mounting costs, particularly of fuel oil, gasoline and electric power, made the preparation of this budget difficult as ever, even though there was a marked improvement in the accuracy and availability of the Town's financial data. We feel that the Selectmen should be commended for this improvement in administrative practice. In spite of the improvements in record keeping, there were still instances of over-spent appropriations. While some of these over-runs may have been unavoidable, we feel that most of them might have been prevented by closer attention to week to week spending.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen  
Town Office  
Rindge, N.H. 03461

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts and records of Walter A. Cleveland, Tax Collector of the Town of Rindge for the period January 1, 1975 to March 5, 1976. The examination was made by this Division in accordance with your request. Exhibits as hereafter listed are included as part of this report.

AUDIT PROCEDURE

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of the verification notices.

GENERAL COMMENTSTax Collector's Cashbook:

Our examination revealed that the cashbook maintained by the Collector for the fiscal year ended December 31, 1975 was incomplete. Further, we found that accounting control over the Collector's accounts was inadequate due to the inconsistent application of the recommended accounting procedures prescribed for tax collector's by this Division.

Written accounting procedures applicable to tax collectors were prepared by our audit staff and delivered to the Collector at a closing conference held on March 10, 1976.

We strongly recommend full adherence to the above-mentioned procedures by the Collector to the end that effective accounting control will be maintained at all times over the activities in the tax accounts.

## ANNUAL REPORT

Cash in Hands of Tax Collector:

It is significant to note that the amount of cash in the hands of the tax collector at January 1, 1975 and December 31, 1975 as stated in this report (Exhibits A & B) differs substantially from the amount previously stated in the annual report of town audit prepared by the local auditors for the fiscal year ended December 31, 1975.

The local auditors could not provide our auditors an adequate explanation regarding the computation of the amount of unremitted tax receipts stipulated in their 1975 report.

We are satisfied that the amount of unremitted tax receipts charged to the collector on those dates in this report is fairly stated based on our reconciliation of the tax accounts and supportive records.

Remittances to Treasurer:

During the course of our audit, we recommended, that the Collector deposit all tax receipts directly to the Treasurer's general fund checking account and close the checking account which he has maintained over the years.

This recommendation had already been implemented.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the auditor's summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional, at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Rindge for their assistance and cooperation during the course of the audit.

Very truly yours,

s/ Frederick E. Laplante  
Director

Municipal Services Division  
Department of Revenue Administration

\* NOTE: Exhibits which were a part of this Audit are on file at the Selectmen's Office for public inspection.

## REPORT OF THE ROAD AGENT

1976

The regular summer maintenance of ditch cleaning, brush cutting, roadside mowing, grading, patching and equipment repair were carried out.

The Hunt Hill project of 3200 feet of new construction was completed by using T.R.A. funds, highway subsidy and a small portion of summer maintenance money. The project cost was \$ 29,800.00 or approximately \$ 9.31 per foot.

Other projects done with Highway Subsidy funds were, widening a portion of Woodbound Rd., Bancroft and Old New Ipswich roads and also placing guard railing on the narrow pipe arch on the Wellington Road.

Roads which received Oil and Solvay money were Abel Rd., Pine Terrace, Town Garage and Fire Station for penetration.

Seal coat was given to a portion of Todd Hill, Middle Winchendon, East Rindge Village, West Rindge Village, Rindge Center and Mountain Road.

Roads that were mixed in place were the Mountain Road, and West Main Street. Also, for the first time, the Highway Department used a Pugg Mill to mix asphalt with gravel which saves the Town the cost of hired equipment. Roads which received this mix were Drag Hill, Rindge Center, Middle Winchendon, Todd Hill, Cutter Hill and Woodbound. This mix was used for patching materials on all roads.

One other item I would like to mention is, the Highway Department, for the first time, used an emulsion, which is an asphalt cut back with water. This saves approximately 3 cents per gallon. This emulsion was used on a portion of Goddard Road and all avenues in the Hillside Cemetery.

Other special activities the Highway Department performed were, placing twin 4 foot culverts at Tarbel Brook on the Abel Road, site work for the new sand and salt storage shed, and paving the shed floor.

Also, I would like to take this opportunity to thank the many people who gave their assistance in helping the Highway Department perform their duties.

Respectfully submitted,

Peter J. Anderson  
Road Agent

AUDITORS REPORT

For the Fiscal Year Ended December 31, 1976

TO: Board of Selectmen

The report of the audit of the records and books of the Town of Rindge has been completed and submitted to you, as well as a copy to the Department of Revenue Administration, Concord, New Hampshire.

Our audit and examination has included the accounts and records of the following: Board of Selectmen, Town Treasurer, Town Clerk, Tax Collectors, Highway Department, Trustees of Trust Funds, Fire Department, Police Department, Dog Officer and Ingalls Memorial Library.

We have checked the payments and receipts of the above and all bank books and bank balances verified. Notices were sent to delinquent taxpayers, as of December 31, 1976 to verify the amount of unpaid property and resident taxes, as reported in the records of the Tax Collector.

This is to certify that we examined the books and records of the Town of Rindge as per instruction from the Department of Revenue Administration, Concord, New Hampshire, for the fiscal year ending December 31, 1976. After a few minor corrections we find all records to be in total balance. To the best of our knowledge and belief, the financial statements and balances reflect the true financial condition of the Town of Rindge, for the period under review.

Our auditing could not have been accomplished without the complete cooperation and courtesy of the officials of the Town. Our sincere thanks to these dedicated people.

Respectfully submitted,

Abbie J. Sheldon

## Report of the Trustees 1976

The year 1976 was marked by extensive personnel change within the Library Staff and Board of Trustees. Mrs. Jane Ravndal resigned as assistant librarian. Mrs. James MacNeil resigned as Trustee. Both because of moving out of town. Mrs. Edward Brummer resigned as Trustee to take Mrs. Ravndal's place as assistant librarian. Two new Trustees were appointed by the Selectmen to replace those resigning. They are: Mrs. Charles Nichols, Jr. and Mrs. Savid Smith.

Mrs. Ralph Green, assistant librarian, finished her courses at U.N.H. and was graduated as a certified librarian in June.

Mrs. Carrie Gray, long time librarian here in Rindge, who retired some years ago, died this year in Newmarket, N.H. It was saddening to lose such a loyal supporter and friend.

Money which the Trustees had in the Monadnock Savings Bank in the Building and Renovation Fund in May 1973 yielded 41 shares in the new Monadnock Bank. The Trustees hope to have these turned over to the Trustees of Trust Funds with the Library's other holdings to yield a permanent income to the Library. These funds help reduce the need for funds appropriated by the Town.

The summer reading program, story hour during the school year and open house in April, were all quite successful programs designed to whet the public's interest in the Library. The Trustees have increased the book budget and frequently the latest best sellers are readily available. We welcome your suggestions as to how we may improve our services to you.

ANNUAL REPORT OF THE LIBRARIAN

Ingalls Memorial Library continues to be officially accredited in the State of New Hampshire. Your assistant librarian, Mrs. Laura S. Green, received her personal accreditation in July as a result of 8 courses, 6 at the University of New Hampshire and 2 at Keene State College, representing 200 hours of instruction in Library Techniques.

We regretted the resignation, on July 1st, of Mrs. Janeal Ravndal. She had proved successful with the young people, and, in her comparatively short stay had shown a quick grasp of cataloguing techniques.

Mrs. Margaret S. Brummer began her duties as Second Assistant Librarian on, July 1st, having previously resigned as a Trustee. The circulation of juvenile books has shown a marked increase since she has joined us.

Story hours conducted by Mrs. Ravndal and Mrs. Brummer have numbered 27 with an average attendance of 18 and a total for the year of 470. In addition there have been several parties on holidays, a colorful summer reading program called "The Book Brook", and the celebration of Book Week in April and Children's Book Week in November. A suitable children's film was shown once a month. Mrs. Brummer and your Librarian wish to thank Mrs. Robert Arlin and Mrs. Paul Starrett for taking charge of refreshments which they and the Rindge Woman's Club have so generously provided. Their volunteer readers have been most faithful. Recently, afternoons of instruction in knitting and crocheting were added. About 38 children were interested.

Mr. Ralph W. Green continues as our efficient and pleasant custodian.

The increase in the budget has enabled us to buy the latest set of Collier's Encyclopedias as well as several other reference books. Also, we were able to purchase an Adler Electric Typewriter and a Bell & Howell 16 mm. projector. Hundreds of books have appeared as gifts, some to be placed on the shelves and some to be sold.

The Friends of the Library under the direction of Mrs. Gail Smith conducted a flea market in the summer with successful results. They have provided hospitality for several different occasions.

The Saturday Volunteers, under the direction of Mrs. Elsie Chase, continue to be of great service. Those participating were: Mrs. Clara Fraser, Mrs. Barbara Nichols, Mrs. Anne Olson, Mrs. Mildred Semonite, Mrs. Gail Smith, Mrs. Betty Todd and Mrs. Heidi Zacharais.

Your Librarian has attended many workshops, conferences and book displays with profit and enjoyment.

" A good book is the best of friends, the same today and

forever."

## RINDGE CONSERVATION COMMISSION - 1976

During the past year, the Conservation Commission contacted the Science Department at Conant High School asking recommendations for candidates to Youth Conservation Camp held at Spruce Pond in Allenstown, N.H. and solicited sponsors for them. As a result, Ronald Budnick and Mark Somero of Rindge attended camp through the generosity of Ed Stevens, Franz Berger and the Monadnock Banks. The Jaffrey Conservation Commission has agreed to sponsor a camper next year since there are more students interested.

The Conservation Commission took a stand approving the relocation of Route # 202 in Rindge.

John Ferguson, the County Forester, has marked trees to be cut in the Town Forest, however, the Boy Scout cutting project has been delayed due to present lack of funds for Forestry Grants.

Further work was accomplished on the Wetlands Survey being prepared by the Commission.

The Conservation Commission agreed to assist the Rindge Garden Group in their "Save the Elm Project". Members aided by drilling holes in elms and injecting Lignasan, a fungistat meant to arrest Dutch Elm Disease. The Commission plans to raise money for this project by presenting a program of Audubon movies.

## SELECTMEN'S REPORT

1976 was a busy and productive year. We have tried to incorporate some cost savings for the Town; with the new insulation for the Meeting House and the construction of a Sand and Salt Storage Shed. We were pleased to see the Horse-Sheds restored in time for the Bicentennial Celebration in Rindge. Many thanks to both the Historical Society for the negotiations and the Seppala and Aho Company who supplied the men and materials for the renovations. The Bicentennial was an exciting year to be alive and we were especially fortunate to have the Wagon Train pass through Rindge Center. We want to thank the Bicentennial Committee for its hard work both renovating the Meeting Room, and restoring some graves in the Revolutionary section of the Cemetery, and the celebrations that they sponsored with the assistance of the Fire Company. It was a pleasant surprise to have a picture of the Rindge Memorial Parade on the cover and also inside article of the July 12th issue of " U.S. News and World Report".

The Recreation project on Wellington Road has finally begun. We expect to have the ball field, access road, and parking area ready for use in the summer.

The Revaluation of Rindge is now in progress and the Sewall Company of Old Town, Maine will be holding hearings late in the spring or early summer on individual assessments. In view of this reassessment, we urge Rindge Taxpayers to check the feasibility of Current Land Use for their property. Current Use applications must be filed by April 15th of each year.

We wish to thank all the town officers, employees, board members, town counsel, and all the committees who have worked hard to make things run smoothly over the past year. There are many dedicated people in Rindge and we are indeed fortunate that so many are willing to serve or in small ways add to the enjoyment of life in Rindge. Also, thanks to all the people who donated anonymously such things as Christmas trees, sconces, and time.

Respectfully submitted,

Redvers G. White

## WELFARE OF THE COMMUNITY

As noted above we had an increase in calls over the previous year of 1975. One of the large increases being in the chimney fire category, plus the fact that many of the house fires were caused from faulty and dirty chimneys and poor wood stove installations.

We have made good progress in starting our fire prevention program which you will be hearing more of as time progresses. Also to help prevent the loss of life and property the use of Smoke & Heat Detectors are strongly recommended.

Through the many generous donations from the residents and non-residents of Rindge we were able to obtain much needed equipment. One of the big items was the purchase of a Boat, Motor & Trailer which will be used for emergencies upon many lakes and ponds in Rindge.

Department Training is a continuous year-round program. Each year more time and money are expended on training.

The Department wishes to thank everyone for their support which enables us to continue to serve the Town of Rindge.

RESPECTFULLY submitted,  
Walter J. Young, Chief

## RINDGE HISTORY COMMITTEE

## REPORT FOR 1976

The committee continues to gather historical information for filing in preparation for publication of a history of the Town at some future date. The committee furnished a great deal of the material on genealogies of the Rindge Revolutionary Soldiers which Mrs. Wilma Hale Jewell further researched and compiled in booklet form which was published by the Rindge Historical Society as one of the Bicentennial projects. This booklet is available at the Library for \$ 2.00 a copy.

The committee is also working in cooperation with the Historical Society and Franklin Pierce College on research of " old homes" and an "Oral History" of the Town.

A request of \$ 400.00 is being made to defray the expense of typing and filing material as well as for the purchase of an additional file.

Surplus of \$ 693.83 turned over to general revenue of Town.

To commemorate Association Test Day (May 5, 1776) when the voters of Rindge all pledged their support of the Revolution, the Bicentennial Committee sponsored a four day celebration. May 27th: showing of the film "These States" and square dancing at the Memorial School; May 28th: Army Band of New England in concert followed by fireworks display on the grounds of Franklin Pierce College; May 29th: Religious services, family picnic and games at the school yard-a special forces team from Ft. Devens gave a demon-in conjunction with those events.-May 30th: traditional Memorial Day Parade.

Our June 20th parade was spnsored jointly with the Rindge Fire Department's Muster. The hour long parade from Rindge Center to West Rindge was well attended and well received.

On July 4th the Meeting House bell tolled 200 times at noon to join similar tolling nationwide.

The project of refinishing and redecorating the interior of the Meeting House was completed in the Fall with the finishing of the floor and installation of the curtain. The committee wishes to emphasize that this project and the earlier cemetery project both will require continued care and maintenance.

In the Spring through the help of the Historical Society, Town Moderator and Selectmen, we were able to secure unencumbered title to the horse sheds at the Meeting House. Mr. Martin Seppala and his crew of men rehabilitated them at no cost to the Town and had them ready for the May 30th weekend.

The Bicentennial Committee is deeply indebted to so many organizations and individuals for the success of its program that it would be space consuming to name them all. To all who contributed labor, time, money or all three we are truly grateful. Your support identifies the achievements as a community effort.

## RINDGE PLANNING BOARD 1976

In 1976, the Planning Board held 12 regular meetings, at 7:30 P.M., the first Monday of each month. It also held 16 public hearings concerning requests for subdivision approval. In early December the Board published revised subdivision regulations, following five workshops and the required public hearing. These regulations may be read at the Town Office or copies may be purchased there for two dollars. Once more, the Board has been working on changes in the Zoning Ordinance; it has held two workshops on proposed amendments, as well as two public hearings in 1976 and one in 1977. The proposed amendments will be a part of the March 8th ballot. On a separate ballot, voters will be asked for their opinion as to the development of Rindge; the Board is confident this advisory ballot will be of great help in planning for the Town. The Board also welcomes comments or suggestions at any time and urges attendance by anyone interested at its monthly meetings.
